## REPORT BY PANDIT DEVI PRASAD, THE COMPILER.

My visits during the last year extended to the districts of Fyzabad, Unao, Lucknow, Bara Banki, Rae Bareli, Partabgarh, Sultanpur, Hardoi, comprising a journey of 4,646 miles by rail, and 1,525 miles by dâk, thus making the distance travelled 6,171 miles. The expenditure on account of travelling and eleven halting allowances amounted to Rs. 827-13.

2. During the year under review 202 new manuscripts were discovered—their distribution under the different heads will be found in the statement hereto annexed. Only a few of these are such as were entered in previous catalogues, the rest having all been entered for the first time.

3. Of the libraries inspected by me five are very important ones. The library of Govind Prasada of Lucknow, though a very large one, does not contain any large number of valuable and rare manuscripts. The libraries of Mahants Chelan Das and Gopal Das, and Ram Saran Das Shankar in Fyzabad, and Pandit Bhanda Datt of Unao, are both large and full of rare and valuable manuscripts.

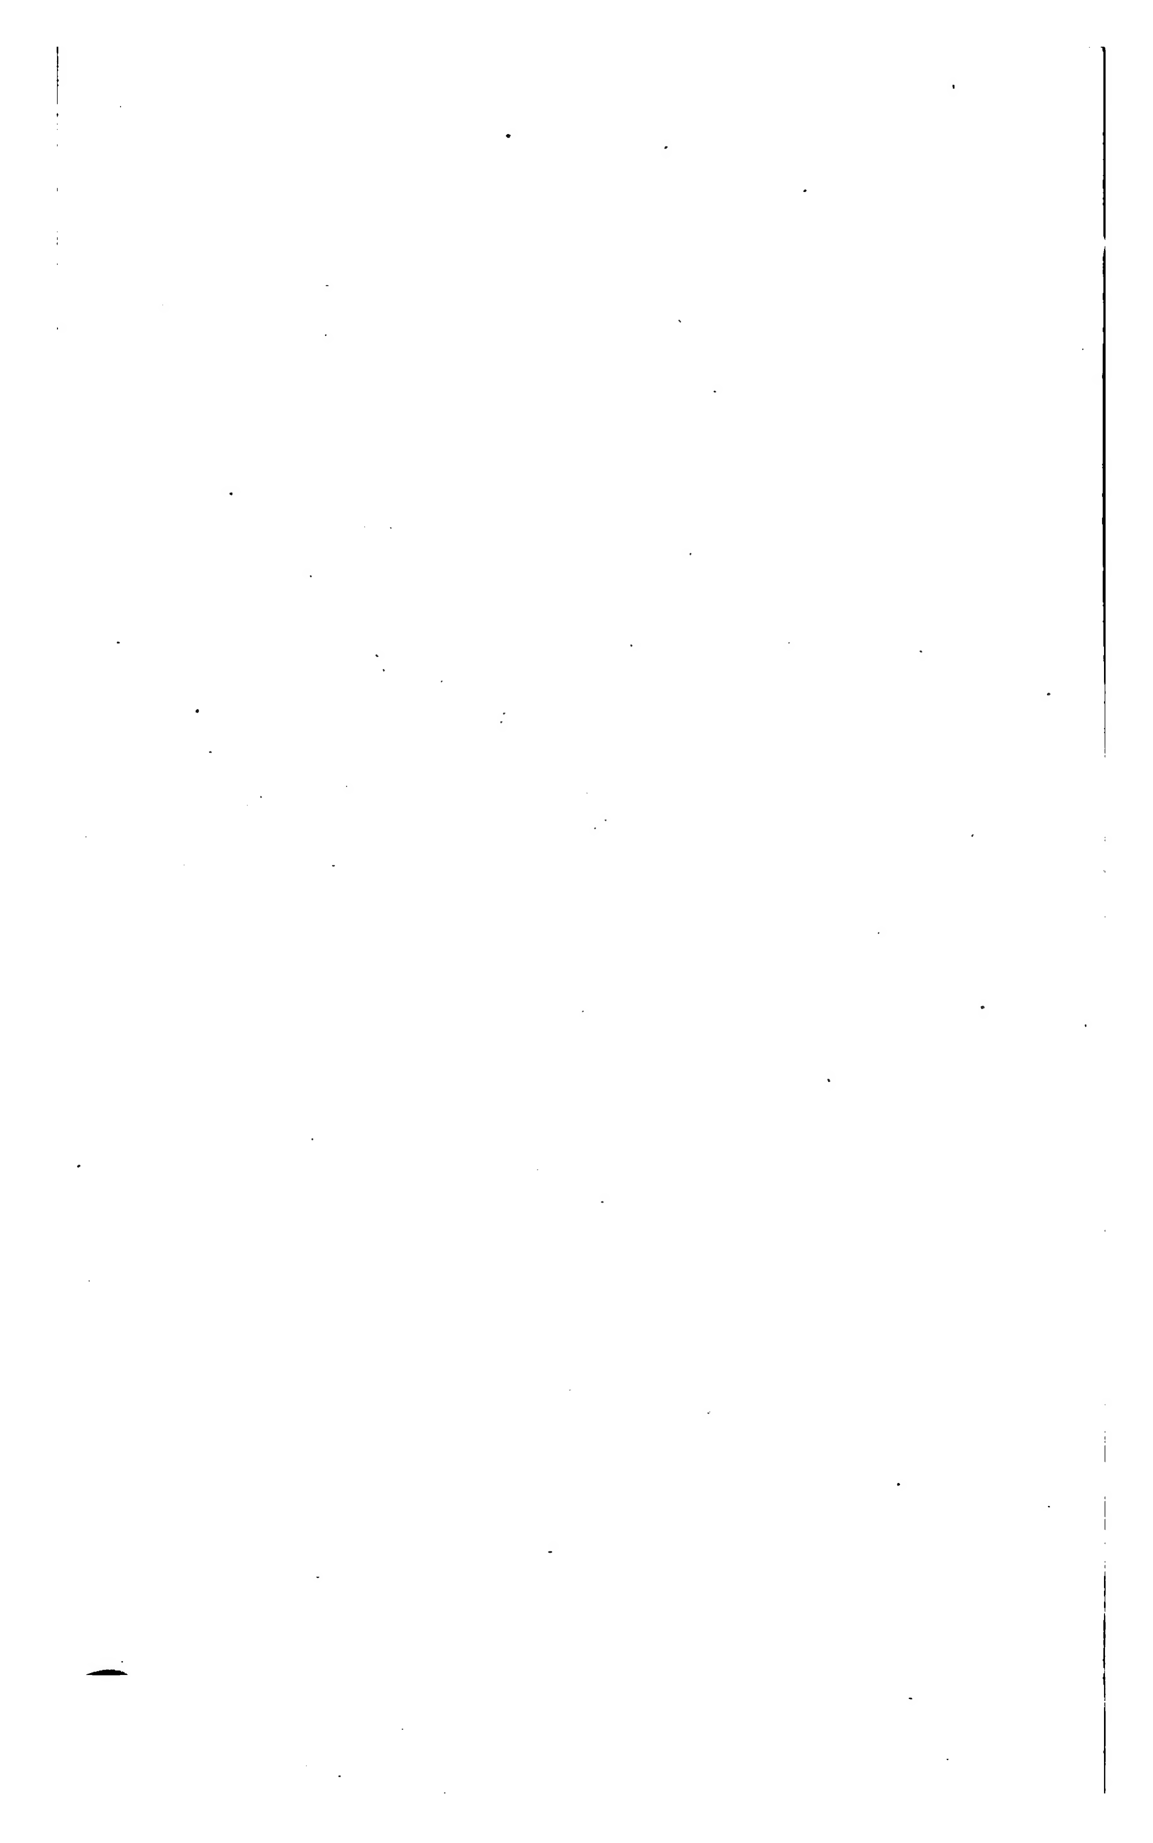

4. During the year, a copy of the Veda Bhásbya of Ubbhatta for Government was completed, and copies of Nidána Sútra, Anupada Sútra, and Nirukta Púrvárdha and Nirukta Uttarárdha, works bearing on the Sáma Veda were made out for Dr. Thibaut of Benares.

5. I take this opportunity to bring to your notice the several inconveniences and obstacles to the progress of the discovery of manuscripts, arising out of the nature of the work, the kind of men with whom I have to deal, and the conditions as to time, &c., under which my services can be utilized. The owners of manuscripts being generally men unaccustomed and sometimes averse to correspondence, I can never be certain that I should find the owner of a particular library on my going to his house. Even when I can find him at his house, it is difficult to induce him to submit his library to inspection, the people of these provinces being proverbially jealous of letting anybody into their secrets and a knowledge of their valuable books, in which they claim a sort of monopoly. In a great many cases indeed, I have to resort to the aid of district authorities who, I am happy to say, render me much assistance, and use their influence in this behalf. Sometimes even when the consent is obtained the owner has no time to allow his library to be inspected, being engaged in some urgent and pressing business, and, with only five days at a time, not being able to afford to wait, I have to come back no better than I went.

There is a library, the joint property of a mumber of men at Badarka in Unao, having a fine collection of works on the same Veda; and though I went there four times I was unable to inspect it, with all the assistance the Tahsíl-dar could render me, all the owners never assembling. Pandit Maharaj Narain, Extra Assistant Commissioner, Unao, has, however, promised that next time I went there, he would have the library opened to me. To procure a part of the manuscript of the Veda Bháshya of

Ubbhatta from Lakeshwar of Baziganj, in Hardoi, I had to go there no less than five times before I succeeded.

6. From inquiries made privately by me of Tahsíldars, the Pandits and people generally, I learn that in the districts of Sultanpur, Partabgarh, and Rae Bareli there is a large number of libraries containing rare and valuable manuscripts. The district Bahraich has not yet been fully examined. It is an out-of-the-way place, having no facilities of communication with the adjoining districts, and, from what inquiries I have been able to make, it seems that libraries are widely separated from each other. Under these circumstances it will be necessary to devote one entire month to it before anything can be done.
